MESSAGE

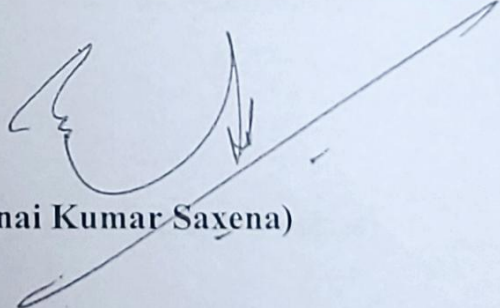

I am happy to learn that Delhi Medical Association (DMA) is organizing its 63rd Annual Delhi State Medical Conference-MEDICON 2022 on 18th December 2022 at New Delhi.

The Medical profession has always been one of the noblest and most significant in terms of serving the society, as indeed the Nation. During the COVID-19 pandemic it stood like a beacon of hope and shone like never before. The role played by Doctors in Nation building by way of keeping the Nation healthy and mitigating expenditure of resources on healthcare is extremely important.

I am sure the conference will provide an opportunity to all stakeholders to exchange their ideas, expertise and experiences, which will help build their knowledge base and aid in sharing best practices for improving quality healthcare and its delivery to the people at large.

I congratulate the office bearers of DMA for organizing this mega event and for bringing out an informative DMA Conference Souvenir to enrich its readers.

I convey my best wishes to the organizers and wish the Conference success.
