MESSAGE

I am happy to know that the Industries Department, Government of NCT of Delhi is conferring the State Award, for the year 2020 and 2021, on meritorious handicraft artisans of Delhi. The Department is also bringing out a brochure on the occasion, which will showcase the outstanding craftsmanship of these award winning artisans.

Awards, such as these not only recognize singular contributions of handicraft artisans in their respective fields, but also help promote India's rich legacy of traditional arts and crafts. The handicrafts artisans are ambassadors of India's heritage and tradition and their skill, creativity and ability to innovate, has helped re-invent many a traditional art forms, apart from creating employment.

I offer my heartiest congratulations to the Award winning artisans and wish them all success in their future endeavours.

(Vinai Kumar Saxena)
