MESSAGE

I am happy to know that Guru Nanak Eye Centre is celebrating its 37th Foundation day on 14th March, 2023.

This Centre is a reputed specialty hospital providing specialized eye care services to citizens of Delhi and neighboring states since its inception. Linked to the prestigious Maulana Azad Medical College, it has carved out a special niche for itself as one of the leading institutions for medical education in ophthalmology. This Journey of GNEC, has been made possible by the diligent perseverance of generations of doctors and support staff. I am informed that its multispecialty services provide operative and therapeutic recourse to multitude of patients. Sharing the journey and legacy of GNEC in the form of a special publication is a great initiative and I congratulate the team for this.

I wish the 37th Foundation day all success, and call upon the Doctors, Faculty and Staff to continue with their dedicated services in the cause of people.
