MESSAGE

I am happy to learn that Dr. Baba Saheb Ambedkar Medical College & Hospital is celebrating its Annual Day & Graduation Ceremony of its first MBBS Batch (2016) on 19th November, 2022, and bringing out a souvenir to mark the occasion.

The College in a short span has progressed with successful implementation of innovative teaching methodologies and faced the challenges posed by the COVID 19 pandemic with alacrity. The Institutions endeavour to ensure that the medical professionals are committed to patient care, even for the poorest of the poor, is commendable.

The College named after Dr. Baba Saheb Ambedkar, the architect of our constitution should strive to follow his dictum that, "we should use our knowledge for the betterment and progress of our brothers and sisters; only then will India prosper".

The first outgoing batch always has a bigger responsibility as they are the initial torchbearers of any Institution. The future batches would look up to them for inspiration and they, therefore, need to set the bar high, for subsequent batches to emulate.

On this momentous occasion, I congratulate all the graduating students, for the hard work and discipline they have put in to reach this important milestone. May your journey of learning, service, and success continue!

(Vinai Kumar Saxena)
