MESSAGE

I am happy to learn that the Alumni Association of the Delhi Technological University – DTU (formerly Delhi College of Engineering) is organizing its Annual Alumni Meet on 29th October, 2022.

As an Institute for Excellence in the field of engineering education, DTU has a glorious past of more than 81 years. It is indeed laudable that its Alumni have immensely contributed in varied spheres that include, Research, Corporate Sector, Public Sector, Entertainment, Sports, as also Public Services in India as well as abroad.

Inter alumni and alumni-student linkages can play a significant role in development of an institution and students by way of hand holding and mentoring. I am sure the Association will continue to bring its Alumni together by providing them with a platform to meet and exchange their valuable ideas with each other.

I extend my warm greetings and felicitations to the Alumni Association and wish the Alumni Meet all success.

(Vinai Kumar Saxena)
