MESSAGE

I am glad to learn that the Carpet Export Promotion Council (CEPC) is organizing the 44th India Carpet Expo during 15-18 March, 2023 at New Delhi, under the aegis of Govt. of India and bringing out a 'Fair Directory', containing relevant information about the industry, to mark the occasion.

This platform provides an excellent opportunity to small and medium manufacturers and exporters to showcase their latest range of products to overseas carpet buyers under one roof and will be of help to the sector in boosting its exports. The Handmade Carpet Industry earns valuable foreign exchange for the country, and the industry also provides employment to millions of artisans in rural areas, including women folk.

I wish this Expo success and extend my best wishes to the participants, overseas buyers, organizers and all others associated with this event.
