### MESSAGE

It is a matter of great satisfaction that the Delhi Development Authority is naming 16 of its parks after, hitherto unsung Heroes of our Freedom Struggle.

That this long due recognition is taking place during the epochal "Azadi Ka Amrit Mahotsav", is indeed befitting.

I am sure that this effort by DDA will go a long way in making our present and future generations aware of the sacrifices that our forefathers made to achieve our independence.
