### MESSAGE

The felicitation of schools and students by conferring upon them the Annual Excellence Award by the Directorate of Education, Govt. of NCT of Delhi, is a remarkable step to encourage, involve and ignite not only them, but all who seek excellence.

Education lies at the foundation of a civilized society and is the Alchemy of the Modern times. Good schools, that nurture our children to become conscientious citizens, make vital contribution to the strengthening of the nation.

I would like to place on record my appreciation for all the dedicated teachers, principals and officers of the Education Department and appeal to them to excel further.

I extend my warm wishes to the Directorate for the issuance of the brochure on the occasion of the Award Ceremony of 'Excellence in Education - 2022'.

(Vinai Kumar Saxena)
