Lt. Governor

**MESSAGE**

I am happy to learn that the Police Complaints Authority is coming out with its Annual Report for the year 2021-22.

The Police Complaints Authority is working as a reform institution aimed at addressing the grievances of the common people, society at large and the citizens of Delhi. They are striving hard in their task and have managed to generate confidence amongst people.

I congratulate the Police Complaints Authority on this occasion and extend my good wishes for their future endeavours.

(Vinai Kumar Saxena)
