MESSAGE

I am happy to know that St. Stephen's Orthodox Church, Dilshad Garden is releasing a souvenir on its Consecration Day on 19th February, 2023, to commemorate its existence since 1995. I am informed that it is an unit of The Indian Orthodox Church, the ancient autocephalous and autonomous church established by St. Thomas, one of the disciples of Jesus Christ, in AD 52.

On this august occasion, I wish the Church and its members success in their endeavours.
