MESSAGE

I am happy to know that The Indian Association of Physiotherapists and IAP Women Cell is hosting 2nd PHYSIOMANTHAN on the theme "Healthy Ageing - Empowering the elderly through physiotherapy" and 2nd National Conference of IAP Women Cell with the theme "Empower and Heal advancing Physiotherapy for diverse abilities and inclusive wellness" on 21-22 September, 2024 at New Delhi.

It is heartening to know that our efforts to strengthen the Fit India movement has found resonance across the country and among physiotherapists as well. When physiotherapists take up the role of fitness mentors, the creation of a healthy society is inevitable.

Through this conference, I am sure that the fraternity of physiotherapists and global experts in the field will look at ways and means to take the benefits of physiotherapy to a greater number of people, particularly those from the disadvantaged sections of the society.

I extend my best wishes for the success of the Conference.
