MESSAGE

I am happy to know that the Carpet Export Promotion Council is organizing the 49th India Carpet Expo from 11-14, October, 2025 at the Carpet Expo Mart, Bhadoi, under the aegis of the Government of India and is also bringing out a Fair Directory carrying participants' profiles.

India's handmade carpet sector is renowned worldwide for its intricate workmanship and is both, labor-intensive and a significant contributor of foreign exchange. It also holds immense socio-economic importance by generating livelihood for millions of rural artisans, particularly women, who are able to participate in the weaving from within their homes.

Bhadohi, recognized as the "Carpet City of India," reflects the country's rich cultural heritage and excellence in craftsmanship. India Carpet Expo provides an important platform to showcase the strength of India's handmade carpet industry, before leading international buyers, thereby enhancing exports and creating meaningful opportunities for rural artisans.

I extend my best wishes for the success of the Expo and convey my greetings to all participants, buyers, and organizers.
