**MESSAGE**

I am happy to know that the 5<sup>th</sup> International Conference of Central Government Library Association (CGLA), Delhi Branch, is being organized in collaboration with Indira Gandhi National Centre for Arts (IGNCA), Ministry of Culture, Government of India. The theme of the Conference "Taking Price in Legacy - Libraries and Archives for Viksit Bharat," is relevant and need of the hour. That a souvenir is also being brought out to mark the occasion, is indeed befitting.

I am sure that the event would go a long way in addressing critical issues concerning the professional and technical aspects of library services in different sectors. I am also hopeful that the Conference will provide a platform for sharing knowledge and ideas among a wide range of participants, including librarians, policymakers, students, teachers, and other stakeholders.

I extend my good wishes for the success of the Conference and publication of the souvenir.
