MESSAGE

I am happy to know that the College of Art, New Delhi is celebrating its 68th Annual Art Exhibition on 17th February, 2024.

Delhi has always been pioneer in shaping the contemporary art scenario in the country. The city has attracted talent from all over India and also served as the grooming ground for young and budding artists. Indeed the city has also been the art and cultural capital of India.

I am sure that the College of Art would go a long way in achieving its aims and objectives.

I extend my good wishes for the success of their endeavours.
