MESSAGE

I am happy to know that the Delhi Pharmaceutical Sciences & Research University (DPSRU) is bringing out its Annual Academic Report **"Pharmannual 2026".**

DPSRU has evolved into a premier institution at the crossroads of pharmaceutical sciences, healthcare management and allied health disciplines. Through its expanding academic portfolio, interdisciplinary research and participation in the ANRF-PAIR network, the University continues to translate knowledge into impactful, real-world healthcare solutions.

Beyond academic and research excellence, DPSRU's vibrant community excels in community outreach, professional development and holistic well-being. As India advances toward *Viksit Bharat@2047*, DPSRU plays a vital role in nurturing scientific talent and strengthening a self-reliant healthcare ecosystem.

I congratulate the entire DPSRU fraternity and wish the University continued success.
