MESSAGE

I am happy to know that the 12th Convocation of Delhi Technological University is being organized on 22nd October, 2026 and is bringing out a convocation booklet on this occasion.

Today is a celebration of your dedication, hard work and personal growth. You should take immense pride not only in your achievements, but also in the transformative journey that brought you here.

Throughout its rich history, DTU has nurtured exceptional engineering talents that shaped generations of skilled and responsible professionals. This stands as a testament to the University's academic excellence and the unwavering commitment of its faculty.

Your time here has been far more than an academic experience, it has been a formative chapter where you learned to question, collaborate, persevere and lead with character. The knowledge, discipline and values gained at DTU will serve as your compass in the years ahead.

As you step into the next phase of your lives, I wish you endless opportunities that challenge and inspire you. May you carry forward the spirit of curiosity, integrity and compassion. I am confident you will continue to make the institution, the nation and the world proud.

My best wishes for your successful journey ahead.

(Sardar Taranjit Singh Sandhu)
