MESSAGE

I am happy to know that the Alumni Association of Delhi College of Engineering and Delhi Technological University is organizing its Annual Alumni Meet-2024 on 3rd February, 2024 and a souvenir is also being brought out on this occasion.

It is indeed satisfying to know that the Alumni have excelled and contributed in various sectors of Government that include administrative services, atomic energy, defence, infrastructure development, railways and telecommunications, etc. This is in addition to the professional excellence the alumni of DCE-DTU have achieved in the corporate sector.

The alumni of any Institution, have a greater responsibility on their shoulders, that is to mentor their successors at their *Alma Mater* and consistently serve as a bridge between the institution and the world outside. I am sure that the Alumni Association of DCE-DTU is concerns of this onus on them and is also delivering on it.

I extend my good wishes for the success of the entire endeavour.
