I am happy to know that Annual Alumni Meet-2026 is being organized by the Alumni Association of the Delhi College of Engineering - Delhi Technological University on 31<sup>st</sup> January, 2026.

As the Lt. Governor of Delhi and the Chancellor of the University, I take pride in the excellence of this esteemed technological institution. I am well aware of its distinguished standing in the national ranking of technological institutes. The expansion of DTU's services to include MBA programs, in addition to technical streams leading to B.Tech, M.Tech, and PhDs, further exemplifies its commitment to providing comprehensive education.

DTU has consistently delivered quality education, fostering individuals who have demonstrated exceptional capabilities and are actively contributing across various sectors of our economy. The Alumni Association's efforts in creating a platform for regular alumni connections and recognizing outstanding contributions through awards such as Life Time Achievement and Distinguished Alumni awards are commendable.

I extend my greetings to the Alumni Association. I wish the Annual Alumni Meet great success and look forward to witnessing the continued achievements of the esteemed alumni.
