### MESSAGE

I am happy to know that the University of Delhi is hosting the 74<sup>th</sup> Annual All India Commerce Conference of Indian Commerce Association (ICA) in collaboration with O. P. Jindal Global University as a Knowledge Partner, from 13-15 December, 2023.

While the commencement of the 'Amritkaal' and G20 presidency in the background, the theme chosen for the All-India Commerce Conference i.e. 'One Earth, One Family, One Future' is indeed apt and relevant. India's G20 Presidency strove to promote this universal sense of one-ness and firmly put it on the global agenda for all times to come.

India has already committed itself to exploiting and developing the linkages between economic growth, gender equality, peace, and security and the use of technological innovations for universal benefit. The agenda of inclusive growth is well-manifested in the priorities set by India. These priorities primarily include Green Development, Climate Finance & Life, Accelerated, Inclusive & Resilient Growth, Technological Transformation & Digital Public Infrastructure, Multilateral Institutions for the future and Women-led Development.

I believe that the speakers and paper presenters of 74<sup>th</sup> All India Commerce Conference shall unfold important dimensions related to the theme 'One Earth, One Family, One Future' and they shall play a vital role in laying the pathways towards a futuristic, prosperous, inclusive and developed society, distinguished by a universalism at its core.

I wish the University of Delhi, Indian Commerce Association, and O. P. Jindal Global University all the best for a successful Conference.

  
(Vinai Kumar Saxena)
