### **MESSAGE**

I am happy to know that the Directorate of Education, GNCT of Delhi is organizing the Excellence in Education Award Function for the year 2025 to honour the meritorious students and best schools of Delhi and is bringing out a brochure on this occasion.

Such recognitions reflect the unwavering commitment and dedicated effort towards shaping the future of Delhi and our nation through quality education. I appreciate the collective contributions of school leaders, teachers, and staff who work tirelessly to enhance learning and inspire students every day.

As Delhi moves towards smart, technology-driven education, I am confident that each award-winning school will continue to lead this transformation with innovation, purpose, and a forward-looking vision.

I hope this recognition encourages every member of the school community to aim higher, nurture young minds with renewed enthusiasm, and guide today's learners to become tomorrow's leaders.

I acknowledge the invaluable role played by every school in enriching the lives of students and advancing the progress of Delhi.
