MESSAGE

I extend heartfelt congratulations to all the teachers being honoured with the State Teachers' Award 2025 at the Shikshak Mahakumbh.

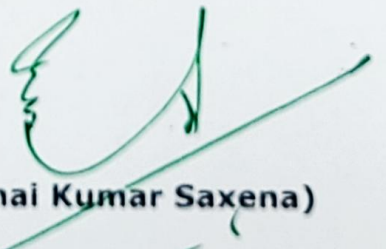

This recognition reflects the steadfast commitment, integrity, and dedication of the entire teaching community in shaping the future of this country.

As Delhi moves towards building smart schools and embracing technology - led Education, I am confident that our teachers would also equip themselves to lead this transformation.

Education is one of the top priorities of our Government. We are committed to providing holistic, multi-disciplinary quality education to every child in the true spirit of the "Right to Education" and Hon'ble Prime Minister's vision of modernizing India's Education system, which is the core objective of the National Education Policy 2020.

May this recognition serve as a beacon of encouragement, motivating the fraternity of educators to pursue excellence, so that they continue empowering the learners of today to become the leaders of tomorrow.

Finally, it is with a sense of gratitude that I place on record my appreciation for the significant contribution being made by our teachers in nation building.

(Vinai Kumar Saxena)
