**MESSAGE**

I am happy to know that the Directorate of Education is going to organize 'Excellence in Education Award-2023' and is bringing out a souvenir to mark the occasion.

It is my sincere belief that Education is the Alchemy of modern times. I appreciate the students who outperformed thousands of their peers to be the best and the schools, which performed incessantly as teams to excel in their respective fields.

Besides curricular and co-curricular development of a student, Education nourishes several capacities and skills and helps in laying the foundation of a well-groomed individual and a good citizen.

I congratulate the fraternity of Directorate of Education and wish for the success for the event and the successful publication of the souvenir.
