**MESSAGE**

I extend my congratulations to Guru Gobind Singh Indraprastha University (GGSIPU) on successful completion of 25 years of service in the field of higher & professional education in Delhi.

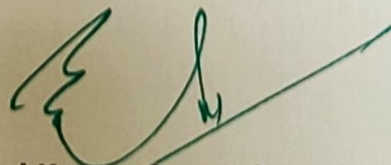

I am happy to see that a "Silver Jubilee Book" is being published by the University to capture the spirit and substance of its achievements made during the last 25 years.

Within a short span, the University has grown to have a significant presence in the field of education, in the process throwing open multi-dimensional opportunities for young aspirants from various walks of life in Delhi – NCR. It has also been able to draw large number of students from other parts of the country. Keeping abreast with rapid developments in specializations, and application-oriented knowledge, the university has created a wide variety of new programmes in its growing number of schools and centres. It is encouraging that today it stands in healthy competition with other leading well established institutions in the field of teaching, training and research.

On this historic occasion, I convey my greetings to all the teaching and non-teaching staff, the past and present students, and to all others who have been associated with the University throughout its journey.

As the GGSIP University celebrates its Silver Jubilee and takes stock of its achievements in the last 25 years, it is time to set future goals towards imparting quality education keeping in mind the benefits to the community and undertake social responsibility, enabling more young people to join the task of upholding the nation's march towards inclusive prosperity.

I wish GGSIPU every success in its endeavours and wish the very best for the successful compilation of all the events planned to be part of its Silver Jubilee Celebrations.
