MESSAGE

On the culmination of the Silver Jubilee Celebrations, I congratulate Guru Gobind Singh Indraprastha University (GGSIU). I am happy to see that a "Silver Jubilee Souvenir" is being released by the University to highlight the achievements of the affiliated institutes, University Schools, Centres and Directorates, reflecting the spirit of inclusivity. There cannot be a better way to celebrate such a momentous occasion than this.

The constant improvement in the QS ranking of the University is a source of encouragement and inspiration for other universities of Delhi and NCR. It reflects the potential of the faculty and students of the University and its affiliated institutes. The University has made a significant contribution in the field of providing technical and professional education to the young aspirants from Delhi NCR and other parts of the country. It is heartening to see that the University has diversified itself by starting new programmes in Humanities, Social Sciences, Liberal Arts, Basic Sciences, Pharmaceuticals and IT, making it a multi-disciplinary university in the true sense of the word. On this historic occasion, I convey my greetings to all the members of teaching and non-teaching staff, and students who have contributed tremendously to the success of the University.

I am confident that the University will continue to impart quality education and scale new heights in the years to come.

As its Silver Jubilee Celebrations culminate, I, once again, congratulate the University for making a splendid journey and extend my sincere best wishes for all its future endeavours.
