MESSAGE

I am happy to know that The Institution of Electronics and Telecommunication Engineers (IETE) is organizing its 67th Annual IETE Convention (AIC-2023) on the theme "Emerging Technologies and Applications Using AI" on 14-15 September, 2024 at Bhopal, Madhya Pradesh, and also bringing out a souvenir-cum-proceedings of the Convention.

The theme of the Convention "Emerging Technologies and Applications Using AI" is extremely relevant and need of the hour. I hope that the deliberation at the Convention will churn innovative ideas and new technology and further disseminate that.

I extend my good wishes for the success of the 67th Annual IETE Convention.
