Lt. Governor

### **MESSAGE**

I am happy to know that Indira Gandhi Delhi Technical University for Women (IGDTUW) is bringing out its Annual Report 2025-26, highlighting the University's steady progress in academic excellence, institutional expansion, and student development.

IGDTUW holds a distinct place in higher education through its focus on empowering women in technical and professional fields. By prioritizing quality education, research, emerging technologies, and entrepreneurship, the University is preparing young women to address global challenges and drive the endeavours towards nation-building.

As Delhi strengthens its status as an education and innovation hub, IGDTUW plays a vital role in fostering a progressive academic ecosystem. I commend the faculty, staff, and leadership for their commitment to academic rigor and subsequent societal impact.

I extend my best wishes to the entire endeavour of IGDTUW.

  
(Sardar Taranjit Singh Sandhu)
