MESSAGE

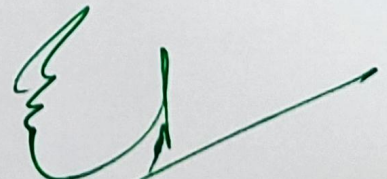

I am pleased to know that Indira Gandhi Delhi Technical University for Women (IGDTUW) is releasing its 6th Annual Report for 2022-2023. As India's first women-only technical university in the Capital, IGDTUW continues to lead with its unwavering commitment to academic excellence, innovation, and social impact.

In an era of rapid technological change, the need for skilled, confident, and entrepreneurial women is more critical than ever. IGDTUW is addressing this need efficiently by empowering students to become leaders, innovators, and change-makers.

The University's emphasis on cutting-edge research, start-ups, and technology-driven learning is fostering a spirit of creativity and self-reliance. Women-led patents, enterprises, and innovations emerging from the campus are truly commendable.

Equally noteworthy are IGDTUW's inclusive values, global partnerships, and efforts to advance women in Science, Technology, Engineering, and Mathematics (STEM). These initiatives are laying a strong foundation for a more vibrant and equitable future.

As Chancellor, I take pride in the University's progress and congratulate the Vice Chancellor, faculty, students, alumni, and staff for their achievements and dedication.

(Vinai Kumar Saxena)
