MESSAGE

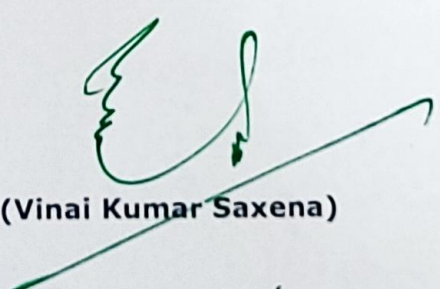

I am pleased to know that Indira Gandhi Delhi Technical University for Women (IGDTUW) is releasing its 7th Annual Report for 2023-2024. As the capital's only women's technical university, IGDTUW continues to exemplify excellence, empowerment, and innovation.

Over the years, the University has emerged as a premier institution fostering quality technical education alongside research, entrepreneurship, and leadership among young women and in the process, producing socially conscious, industry-ready professionals.

Particularly commendable are its initiatives in women-led research, start-ups, IP generation, and interdisciplinary learning. Global collaborations, Centres of Excellence, and inclusive outreach programs underscore its strategic vision.

I congratulate IGDTUW for its efforts in forging national and international partnerships that enhance knowledge exchange and innovation. As Chancellor, I take pride in the strides the University is making in shaping future-ready women technocrats. My heartfelt congratulations to the Vice Chancellor, faculty, students, alumni, and staff.

May IGDTUW continue to scale new heights of excellence and deepen its impact on the society.

(Vinai Kumar Saxena)
