## MESSAGE

I am happy to know that Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) is organizing its 15th Convocation Ceremony on 3rd November, 2026 and is also bringing out a convocation brochure to mark this occasion.

My heartiest congratulations to the Class of 2026 and to all students being honoured for their exceptional academic and research accomplishments. Today is also a proud occasion for the parents and faculty whose unwavering support and nurturing made this day possible.

IIIT-Delhi has established itself as a leading educational and research institution known for academic excellence, innovation and strong industry engagement. Its interdisciplinary approach applies technology to address real-world problems and drive societal transformation.

The institution has laid a strong foundation to empower students as responsible citizens. Armed with knowledge, determination and perseverance, you are well-prepared to step into the world and face its challenges. Remember that graduation marks the beginning of your responsibility to apply your education for the greater good. When success comes, stay humble; when failure strikes, stay resilient; and above all, remain kind and compassionate.

My best wishes for success of the Convocation.

Taranjit S. Sandhu
