MESSAGE

I am happy to know that Institution of Fire Engineers (India) is organizing the 17th International Conference and Exhibition "Fire India-2023", on the theme "Relook on Fire & Life Safety Techno-Legal Regime for Sustainable Built Environment" from 5th to 7th October, 2023 in Mumbai.

This platform has been instrumental in fostering knowledge exchange and showcasing cutting-edge advancements in fire safety and emergency response. The unwavering commitment to fire safety, training, and professional excellence has made a profound impact in the firefighting landscape.

I am sure that this program will foster an environment where professionals from diverse backgrounds share their expertise and brainstorm solutions.

I extend my best wishes for the success of the event.
