MESSAGE

I am happy to know that the Faculty of Dentistry, Jamia Millia Islamia, is publishing its first-ever Annual Yearbook.

That they have attained 8th rank in the NIRF Rankings is encouraging and demonstrates their commitment to leadership and quality in oral healthcare education. I am informed that they are establishing new standards, empowering communities, and influencing the dental care through awareness generation. This Yearbook is a testament to their diligence.

I congratulate the Faculty members and students for their efforts for this accomplishment and convey my best wishes for the future endeavors.
