MESSAGE

I am happy to know that Delhi Skill and Entrepreneurship University (DSEU) is celebrating its 4th Foundation Day and is also publishing its newsletter to mark the occasion.

I extend my heartiest congratulations especially to the students of the University, who are the key stakeholders and driving force behind DSEU's vision and mission. Their pursuit of knowledge, skills, and entrepreneurship will be the catalyst for change.

I wish DSEU all success in their endeavor to help the youth of nation by imparting the necessary expertise and spirit of innovation.
