MESSAGE

I am happy to know that the Delhi Tuberculosis Association is launching the 74th TB Seal Campaign for National Capital Territory of Delhi on 19th October, 2023.

Although the efforts of the government are yielding significant results, the community at large and civil society organizations can play a critical role in filling gaps and addressing social determinants, thereby contributing to the national goal of "TB Mukht Bharat". For effective engagement of the community in eradication of TB in India, MoHFW is implementing the "Community Support to TB patients - Pradhan Mantri TB Mukht Bharat Abhiyaan.

The consistent endeavours by the Association are indeed praiseworthy. I hope that the Delhi Tuberculosis Association would go a long way in achieving its aims and objectives.

I appeal to all to generously contribute to this noble cause and wish the 74th TB Seal Campaign my very best.

(Vinai Kumar Saxena)
