MESSAGE

I am happy to know that the Vallabhbhai Patel Chest Institute, University of Delhi is organizing the 58th Annual Conference of the Indian College Allergy, Asthma and Applied Immunology, Delhi (ICAAICON-2024) on 19-22 December, 2024 and is also bringing out a souvenir to mark the occasion.

I am given to understand that several eminent speakers of National and International repute will deliver lectures on different aspects of Allergy, Asthma and Immunology. I am sure that the deliberation of the Conference focusing on Allergy, Asthma and Applied Immunology, will disseminate latest knowhow in these fields that have become increasingly relevant given the situation of air pollution.

I extend my good wishes to the Institute and its future endeavours. .
