MESSAGE

I am happy to know that The Institution of Engineers (India) is hosting the 38th Indian Engineering Congress, during 27-29 December, 2023 at Jabalpur on the theme, "Reimagining Tomorrow: Shaping the Future through Disruptive and Interdisciplinary Technologies" and is also bringing out a souvenir on this occasion.

I am sure that the Congress, to be attended by engineering fraternity from India and abroad, will deliberate upon new ideas and latest knowhow in the field of Engineering and help disseminate it.

I hope that the Institution would go a long way in achieving its aims and objective with same mission and zeal.

I extend my good wishes for success of the 38th Indian Engineering Congress.
