### **MESSAGE**

I am happy to know that Non-Collegiate Women Education Board (NCWEB), University of Delhi in collaboration with National Commission for Women is organizing a two-day National Seminar on "Women in Decision-Making Roles in Corporates" on 2-3 November, 2023 at the University of Delhi.

It is important to recognize that women bring a unique perspective and an invaluable set of skills to the decision-making table, and acknowledging the significance of their contributions is a pivotal step.

I am sure that deliberations at the Seminar would lead to moral ideas with regards to empowerment of women in leadership roles, especially in the Corporate Sector.

I extend my best wishes for the success of the Seminar.
