MESSAGE

I am happy to learn that Ramakrishna Mission, the world renowned spiritual and philanthropic organization founded by Swami Vivekananda, is celebrating its 125th Anniversary this year. The Mission is also bringing out a souvenir to commemorate the occasion.

Ramakrishna Mission has been serving humanity without distinction of caste, creed, religion, gender and economic status for the past 125 years. The New Delhi centre, in particular, has been serving the underprivileged sections of society through its Free T.B. Clinic, Medical Diagnostic Centre, Free Homeopathic Dispensary and Free Coaching Centre for school students, etc.

I extend my best wishes for the success of the celebration.
