MESSAGE

I am happy to know that Maulana Azad Institute of Dental Sciences (MAIDS) is publishing a "Yearbook" highlighting the Institute's accomplishments and activities for the Academic Year 2021-22.

MAIDS has been at the forefront of Dental Medicine, Surgery & Education and played an exemplary role in dental care in India, during COVID-19 pandemic. The NIRF ranking-2021 & 2022, has ranked the Institute as 4th Best Dental College in India, which shows the commitment of its entire workforce, as indeed its students.

I congratulate all at the Institute for continuously striving to be a world class institution in service of humanity with a smile.
