MESSAGE

I am happy to know that the Delhi Technological University is organizing its 10th Convocation on 16th November, 2023. I would like to congratulate all the graduating students who are being conferred with degrees on this occasion. I extend my deepest appreciation for all the students for their diligence, hard-work and dedication to their studies during their stay at DTU. I would also like to congratulate the entire fraternity of Delhi Technological University on this joyful and proud occasion.

Delhi Technological University has been serving as a premier educational institution and has become a frontrunner in the areas of academics, research and entrepreneurship. It has played a pivotal role in providing industry-relevant education to the students, and has contributed to the much-needed impetus, to national growth story through its endeavours in the sphere of research & development, scientific innovations, and engineering excellence, over the years. I am sure that the University will continue to deliver exceptionally and remarkably in the years to come.

I once again applaud the relentless efforts of the graduating students and congratulate them for their proud academic achievements. I am sure that the graduating students will continue to spread their wings of knowledge and become successful engineers, leaders and innovators of tomorrow.
