**MESSAGE**

I am happy to know that Maulana Azad Institute of Dental Sciences (MAIDS) is publishing its Annual Report - Yearbook 2025, highlighting the Institute's curricular and extracurricular achievements through the Academic Year 2024.

MAIDS' commitment to innovation, including the Indigenous Implant System, Dental Technology Innovation Hub (DTIH), National Resource Centre for Oral Health and Tobacco Cessation under NOHP and Mobile Dental Clinics, reflects its dedication to advancing oral healthcare and serving the community. The Institute has consistently demonstrated leadership in dentistry, earning top rankings in various independent surveys and 3<sup>rd</sup> place in NIRF 2024.

I extend my good wishes to MAIDS for continuously striving to be an institution in service of humanity with a smile.
