### MESSAGE

I am happy to know that Guru Gobind Singh Indraprastha University (GGSIPU) is bringing out its Yearbook 2024-25, highlighting the academic and extracurricular achievements of the year.

It is heartening to note that GGSIPU continues to set new benchmarks in knowledge creation, innovation, and community engagement. The introduction of new courses in areas such as Information Technology, Design, Social Sciences, Media & Communication, and Management in 2024-25 reflects the University's commitment to delivering a multidisciplinary and contemporary education.

The University's rising stature is evident by its impressive performance across NAAC, NIRF, and QS rankings, which speaks volumes of its academic excellence. The expansion of campuses, establishment of advanced research centres, and the mentorship of over a hundred affiliated institutions underscore its inclusive and future-ready educational approach.

I congratulate the Vice Chancellor, faculty, staff, and the students on their achievements. May this yearbook serve both as an inspiration for future scholars and a proud record of the University's continuing journey of excellence. I extend my best wishes to GGSIPU in its pursuit of igniting young minds and contributing meaningfully to societal transformation.
