MESSAGE

I am happy to know that Dr. B.R. Ambedkar University Delhi is organizing its 14th Annual Convocation and is bringing out the convocation booklet on this occasion.

The Annual Convocation marks an important milestone in the academic journey of our graduating students and celebrates their dedication, perseverance, and intellectual growth. It is a moment of pride for graduates, their families, teachers, and the entire University community. Each degree symbolizes years of hard work and collective commitment.

I would like to encourage the University's growing efforts to integrate the timeless wisdom of Bharatiya Knowledge Systems into higher education. Bharat's civilizational heritage continues to offer meaningful insights for addressing today's challenges. Guided by the vision of Dr. B. R. Ambedkar, the University remains committed to equity, inclusivity, and social justice. Its academic environment fosters inquiry, creativity, interdisciplinary learning, and real-world problem-solving, shaping socially conscious citizens.

As you move into new spaces, remember that learning is a lifelong process. Let the knowledge gained here strengthen your values and inspire service to the nation and humanity.

My heartfelt congratulations to all graduates and appreciation to the University's faculty, officers, and staff.
