MESSAGE

I am happy to know that the Delhi Technological University (DTU) is organizing its 12th Annual Convocation Ceremony and is also bringing out a Convocation Booklet to mark the occasion.

This milestone is a testament to your continued hard work, dedication, and personal growth. DTU has consistently produced skilled professionals, who excel in their fields, and I am confident that the University will continue to grow and make the country proud.

As the passing out students embark on new journeys, I wish them opportunities that challenge and inspire. Carry forward the values of compassion, curiosity, and integrity that DTU has instilled in you. I am confident that each one of you will excel and contribute meaningfully to the nation and the world.
