### **MESSAGE**

I am happy to know that Engineering Export Promotion Council (EEPC) India is organizing the 54<sup>th</sup> & 55<sup>th</sup> Northern Region Export Excellence Awards in Jaipur on 23<sup>rd</sup> December, 2025 and is bringing out a commemorative Booklet for the Awards.

As the Apex Body entrusted with promoting India's engineering goods and services across global markets, EEPC India deserves commendation for its invaluable role in strengthening the sector and elevating the nation's reputation worldwide. EEPC India has created vital platform for Indian enterprises to showcase their innovation, manufacturing excellence, and global competitiveness - contributing significantly to India's emergence as a leading engineering and manufacturing hub.

As a major engineering and industrial hub, Delhi is home to a dynamic ecosystem of MSMEs, advanced manufacturing units, technology-driven enterprises, and a highly skilled workforce.

I extend my congratulations to all the award recipients.
