MESSAGE

I am happy to know that Indira Gandhi Delhi Technical University for Women (IGDTUW) is publishing its 8th Annual Report for Academic Year 2024-25.

As Delhi's only women's technical university, IGDTUW embodies progressive education, empowerment, and innovation. The university excels in nurturing academic excellence, creative problem-solving, and professional leadership, preparing women to contribute to India's growth.

I am impressed by initiatives promoting women-led innovation, start-up incubation, and technology-based research. Collaborations, Centers of Excellence, and outreach activities have enhanced its reputation. IGDTUW's vision is to impart technical knowledge, instill confidence, and build capacity to lead in a global economy.

I congratulate the Vice-Chancellor, faculty, staff, students, and alumni on their dedication. May IGDTUW continue to achieve new milestones, inspire women technocrats, and uphold its legacy of excellence.

(Vinai Kumar Saxena)
