MESSAGE

I am happy to know that Netaji Subhas University of Technology (NSUT) is organizing its 3rd Convocation on 13th December, 2025.

NSUT with its motto of excellence in education, research and development, is helping create a repository today of potential innovators and leaders to help and serve their nation.

The mentoring done here will enable the graduates to hold onto their ground with practical leadership skills, good communication, and ethical decision-making, in the process contributing to sustainable development of our country. I Hope the graduates will leave no stone unturned in their new endeavours to make an impact on the society.

Congratulations once again to the proud parents and their wards. I wish them all the best for their futures.
