### **MESSAGE**

I am happy to know that the North DMC Medical College is organizing its 3<sup>rd</sup> Convocation on 18<sup>th</sup> September, 2024. On this occasion, the college will release its annual report to highlight its accomplishments in past years and graduating students will be awarded degrees.

Convocations are landmark events on the academic calendar. I congratulate the entire faculty, staff and students of the medical college for their concerted efforts and on all that has been achieved during the past years.

DMC Medical College is a pioneer Medical Colleges being run by the Municipal Corporation of Delhi. It is matter of great pride and satisfaction that the institution is rendering earnest service by training young minds to be good medical professionals for the nation.

I am confident that the college will continue to pursue excellence in medical education, research, clinical services and community outreach programs. I wish the third Convocation celebrations of North DMC Medical College all success.
