MESSAGE

I am happy to know that the 4th Convocation of Netaji Subhas University of Technology is being organized on 17th December, 2026. The theme of the Convocation is ***Abhyuday*: Rise and grow,** encapsulates the noble human instincts of liveliness, aspirations and ambition**.** When you rise, your family rises; in turn, your community and society flourish, ultimately leading to the prosperity of our nation.

Heartiest congratulations to the graduating students receiving their degrees at this Convocation. This milestone is a testament to the relentless dedication, perseverance and collaborative spirit of our committed faculty and hardworking students.

Today marks your transition from the nurturing environment of NSUT into a competitive world brimming with possibilities. As you step forward into diverse professional roles, may the knowledge, resilience and core values instilled in you here, remain your guiding compass. I am confident you will overcome every challenge and bring pride and laurels to your *alma mater*.

I wish you all a successful future and hope you achieve many more remarkable milestones in your careers. Stay determined, remain true to yourselves and carry the spirit of *Abhyuday* forward.
