MESSAGE

I am happy to know that Police Complaints Authority is going to release its Annual Report for the year 2023-24.

It is a matter of satisfaction that Police Complaints Authority during the year of 2023-2024 disposed of 649 complaints received from the public.

I am sure that the Authority would go a long way in achieving its aims and objective with same passion and zeal in the times to come.

I extend my congratulation to the Police Complaints Authority on completion of another successful year and hope that it would remain ever vigilant and responsive to people's grievances and walk the extra proverbial mile to address them.
