MESSAGE

I am happy to know that the Shikshak Mahakumbh - State Teachers' Award 2026 is being organized on 05th September, 2026 to honour the meritorious Principals / Vice Principals/HOSs and Teachers and a brochure detailing new initiatives of the Education Department is also being brought out on the occasion.

Education extends far beyond academics. It is the cornerstone of character, resilience and confidence and global capability. While academic excellence creates opportunities, our primary duty is to ensure every child learns and shapes in a safe, inclusive and emotionally secure environment, nurturing not just knowledge, but skills and social responsibility.

Teachers shape aspirations, instil core values and prepare our children to navigate the rapidly changing world. May the achievements of those being honoured inspire all educators to keep guiding a compassionate, resilient and empowered generation that drives our nation's progress and prosperity.

I extend my best wishes for all future endeavours of the Education Department.

(Sardar Taranjit Singh Sandhu)
